MEMORANDUM FOR: Mr. Hugh W. Wolff  
Department of State/INR

SUBJECT : INR Participation in Target-Oriented Display

1. I expect to be away from Washington during the first half of February. Our office, however, will be ready to help you in working out the details of INR participation in TOD whenever you are ready to proceed further.   
are working with me on the TOD and will be pleased to provide continuing support for you.

2. As I indicated at our meeting here on 28 January 1969, we will provide you with pre-formatted forms for each of the Reporting Entities in INR, and we are available to help any of your people to better understand the matrices and subdivisions which have been created for the TOD.

3. The TOD inputs from the other agencies and departments involved will be received by us between mid-February and the end of April. Consequently I do not foresee any great press of time for your people to complete your submissions, which I think will be quite straightforward and not very complicated. We will now stand by until we hear further from you.
